Phil's Custom Trout Flies

Blue Wing Olive Parachute

Price per Unit (piece): \$2.00

Blue Wing Olive Parachute:

Excellent imitation for the Little Blue Wing Olive hatch. Tied parachute style so that the body of the fly rides low in the water.

**I used this
pattern on
the Green
River in
April and
slammed
them! The
pattern was
especially
effective on
the huge
swirling
backeddies.
We drifted
just off the
seam and
cast to
working
head
congregated
in these
areas. We
caught
many!**
