Phil's Custom Trout Flies

Humpy

Price per Unit (piece): \$2.00

Humpy:

If I could only take one dry fly along to my favorite river, the Humpy would be that fly. The Deer hair wings tail and body, along with the hackle make this fly a high floater, even in the most extreme riffle water. Excellent imitation for a Caddis. The Humpy just looks buggy on the water, and trout love them.
