## Phil's Custom Flies

*Phil's Custom Trout Flies*

### Silver Hilton

Price per Unit (piece): \$3.00

My favorite Steelhead pattern. Not only is this a very good pattern, I like it for the way the fly comes together in the vice. It is a blend of mallard flank tail, ribbed black chenille body, and grizzly hackle and wings. I think this fly is a true piece of art and I enjoy tying it.
