Phil's Custom Trout Flies

Bowstring Chartreuse and Hot Orange

Price per Unit (piece): \$2.00

A favorite Sacramento River Pattern. Tied with a short Chartreuse Krystal Flash Tail, Chartreuse Bowstring Body, Hot Orange Collar and Bead Eyes at the head. The short tail helps ensure that fish don't short strike this fly. The bead chain eyes ensure the fly fishes with the point facing up during the swing to hook most fish in the upper lip, rather than the soft bottom lip. The design of this fly will enable you to land many more fish. Very Durable.
