

Phil's Custom Flies

Phil's Custom Trout Flies

A.P. Black

Price per Unit (piece): \$1.90

The A/P Black was originated by Andre Puyans, and is part of the A/P series of nymphs. The A/P Black is particularly effect on a number of my home waters, such as the upper Sacramento. It imitates a darge mayfly nymph, and in the larger sizes, is a very effective stonefly imitation.
